

# PIARA ARCHAEOLOGICAL FIELD SCHOOL AT HUALCAYAN, PERU

Analytical Methods in Archaeology

Join PIARA this summer in the spectacular  
Cordillera Blanca of Peru!

The PIARA field school is an intensive learning  
experience that will provide you with detailed training  
in a variety of archaeological methods. You will  
excavate monumental tombs and ritual structures at  
the ancient site of Hualcayán and gain proficiency in  
bioarchaeology, GIS or artifact analysis.

Participants receive 8 hours of university credit.  
Visit our website for more details!
